AUCTION DONATION CONTRACT

# The Children's Museum of Richmond

2018 marks the Children's Museum of Richmond's 37th year of educational service to the Richmond community. The museum is projected to see more than 400,000 visitors annually and is proud to be a vital asset and cultural hub for the children and families of Central Virginia. As a nonprofit, the museum's child-centered mission relies on support from individuals, foundations and corporations.

## Funds Raised at Twilight Carniball Support the Museum's Scholarship Fund

The Children's Museum of Richmond is proud to offer access to the city's premier educational play environment at a reasonable price, but even \$9 per person is beyond the means of many families in Central Virginia. Sadly, children whose parents and schools cannot afford museum admission are often the ones who need services the most.

All of the funds raised at Twilight Carniball benefit the museum's Scholarship Fund, which works with schools and nonprofit organizations to provide admission, membership and program tuition for children, families and school groups who would not otherwise be able to visit the museum. Each dollar raised helps to keep the Children's Museum of Richmond accessible to all families, and supports the museum's mission of inspiring the next generation of creative problem solvers.
